

These special bracelets,
Are made for you and me.
A tiny one for your wrist,
And a big one for mine, you see.

When I wear my bracelet,
I will always think of you.
And I know that when you're wearing yours,
You'll be thinking of me too.

Sometimes you will miss me,
Sometimes we'll be apart.
But your bracelet can remind you,
That you're forever in my heart.
